HM D Manual Page 152

When you are putting on the bridle, the _____ hand holds the bit.

- a. left
- b. right

A

CHPC Study Cards: D-1 139

HM D Manual Page 186

Nipper has water all the time, along with his hay and grain. Sometimes Nipper likes to lick his salt block. Is having a salt block for Nipper a good way to give him salt?

- a. yes
- b. no

A

CHPC Study Cards: D-1

HM D Manual Page 268

You should check your bit regularly for worn or rough places. You check the bit for these places because:

- A. They may cut your finger
- B. They may snag your coat
- C. They can hurt the pony's mouth

C

CHPC Study Cards: D-1

HM D Manual Page 185

Which food is more important for your pony?

- a. BULK or ROUGHAGE (hay or grass)
- b. CONCENTRATES (oats or corn)

A

CHPC Study Cards: D-1

HM D Manual Page 185

One bulk food for a horse is grass; another bulk food usually fed horses is _____.

- a. salt
- b. sweet feed
- c. hay
- d. water

C

CHPC Study Cards: D-1

HM D Manual Page 184

Horses have small stomachs. There needs to be a little food in the stomach at all times. Should horses be fed grain little and often?

- a. yes
- b. no

A

CHPC Study Cards: D-1

HM D Manual Page 187

Since your pony needs water at all times, how often do you need to fill his water bucket?

- a. 4 to 6 times per day
- b. once a day
- c. only at night

A

CHPC Study Cards: D-1

HM D Manual Page 270

TRUE OR FALSE: The throatlash and noseband should be as tight as possible.

- a. True
- b. False

B

CHPC Study Cards: D-1

HM D Manual Page 268

TRUE OR FALSE: As long as the bit will stay in the pony's mouth, it doesn't matter how high or low it is in his mouth.

- a. True
- b. False

B

CHPC Study Cards: D-1

Your pony is kept at grass or pastured. What part of him still requires daily grooming care?

- a. ears
- b. feet
- c. tail
- d. teeth

B

CHPC Study Cards: D-1 629

HM

D Manual Page 135

Your pony has escaped his paddock and is grazing on your fenced front lawn. Luckily he has his halter on. What should you do?

- a. grab his halter quickly before he gets away
- b. get a lead rope to attach to his halter
- c. call the vet
- d. entice him back to the paddock with treats

B

CHPC Study Cards: D-1 628

HM D Manual Page 136

You should hold the lead rope near the pony's halter in your right hand. Where should the extra lead rope be?

- a. coiled neatly in even loops in your left hand
- b. tucked in your belt loop
- c. folded, not coiled, in your left hand
- d. allowed to drag on the ground

C

CHPC Study Cards: D-1 620

HM D Manual Page 146

Which of the following would be the best place to put your saddle?

- a. on a barbed wire fence
- b. on the edge of the water trough
- c. on a fence rail
- d. on the ground

C

CHPC Study Cards: D-1 616

HM D Manual Page 134

You are going into a field to catch your pony. What should you take along?

- a. his bridle and saddle
- b. your helmet, a halter and lead rope
- c. brushes and a bag of carrots
- d. a piece of baling twine

B

CHPC Study Cards: D-1 625

HM D Manual Page 134

If possible, how should you approach your pony?

- a. from the rump
- b. at the head
- c. at the shoulder
- d. at the belly

C

CHPC Study Cards: D-1 623

HM D Manual Page 137

From which side do you usually lead your pony?

- a. front
- b. near
- c. off
- d. back

B

CHPC Study Cards: D-1 619

HM D Manual Page 151

You are saddling your pony and he "blows up." What should you do?

- a. call the fire department
- b. take up the girth a little, untie him and walk him in a circle
- c. hit or kick him to make him let out his breath

B

CHPC Study Cards: D-1 615

HM D Manual Page 138

True or False: It is safest, when leading your pony, to turn him toward away from you.

- a. True
- b. False

A

CHPC Study Cards: D-1 172

ID D Manual Page 232

Can a chestnut horse have a black mane and tail?

- a. yes
- b. no

B

CHPC Study Cards: D-1 491

ID D Manual Page 243

If when you stand back from your pony, his head looks like it belongs on a much larger horse, would you say he has good overall balance?

- a. yes
- b. no

B

CHPC Study Cards: D-1 928

Quiz Quiz2002 Page 6

You are 12 years old and are at a Quiz competition and you do not know the answer to the question you have just been asked. What should you do?

- a. check the reference material
- b. say "May I please confer?" so that you can consult your teammates
- c. say "I don't know"
- d. say nothing

B

CHPC Study Cards: D-1 947

Quiz Quiz2002 Page 6

What should you do to let me know when you have finished answering a Quiz question?

- a. say "That's my final answer."
- b. Wait for the Judge to ask if you're sure.
- c. sit down
- d. ask for the next question

C

CHPC Study Cards: D-1 6

Riding D Manual Page 26

On which SIDE of your pony do you usually dismount?

- a. right or off side
- b. left or near side

B

CHPC Study Cards: D-1 944

Quiz Quiz2002 Page 6

How many times will a question be read for a competitor at Quiz?

- a. once
- b. twice
- c. three times
- d. as many times as you need

B

CHPC Study Cards: D-1 955

Quiz Quiz2002 Page 7

True or False: If you only get part of a Quiz answer correct, you will get partial credit.

- a. True
- b. False

If you are carrying a whip, in which HAND do you hold it when dismounting?

- a. Left
- b. Right

A

CHPC Study Cards: D-1 106

Riding D Manual Page 29

TRUE OR FALSE: You should keep your knees and ankles stiff except when posting.

- a. True
- b. False

B

CHPC Study Cards: D-1 96

Riding D Manual Page 148

Why do we generally put the bridle on last?

- a. to keep the reins from getting dirty
- b. because it is HARDER than putting on the saddle
- c. because it is EASIER than putting on the saddle
- d. to give the pony a chance to get used to the feel of the saddle before you tighten the girth

D

CHPC Study Cards: D-1 57

Riding D Manual Page 33

True or False: If you ride with high hands, no bend in your elbow, and with your arms stretched out in front of you, your pony can pull you forward out of the saddle.

- a. True
- b. False

A

CHPC Study Cards: D-1 7

Riding D Manual Page 26

True or False: It is correct to leave your left foot in the stirrup until the right foot hits the ground when dismounting.

- a. true
- b. false

B

CHPC Study Cards: D-1 8

Riding D Manual Page 26

True or False: It is correct to dismount by dropping both stirrups and vaulting off your pony.

- a. true
- b. false

A

CHPC Study Cards: D-1 107

Riding D Manual Page 28

YES OR NO: If you ride with your knees and ankles stiff, will the rest of your body probably be stiff also?

- a. Yes
- b. No

A

CHPC Study Cards: D-1 114

Riding D Manual Page 35

If you want your pony to slow up or stop, the right way to do it is to:

- a. lean forward and jerk on the rein
- b. lean back and pull hard
- c. straighten your back and sit down, keeping your hands still if the pony pulls
- d. yell "whoa!"

C

CHPC Study Cards: D-1 49

Riding D Manual Page 29

If a rider is leaning too far forward, her back is stiff and hollow, and she is sitting on the front of her seat, what is her position problem called?

- a. chair seat
- b. slumping
- c. perching
- d. crouching

C

CHPC Study Cards: D-1 53

Riding D Manual Page 31

True or False: When you ride, your feet should push hard against the stirrups and your heels should be in front of your knees.

- a. True
- b. False

B

CHPC Study Cards: D-1 47

Riding D Manual Page 29

If a rider's head and eyes are down, her back is round, and she is sitting out of balance with her arms out ahead of her body, what is her position problem?

- a. arching
- b. crouching
- c. perching
- d. slumping

D

CHPC Study Cards: D-1 48

Riding D Manual Page 29

If a rider's back is straight but her feet and legs are out ahead of her back and her weight is out of balance backward, what is her position problem called?

- a. chair seat
- b. slumping
- c. perching
- d. crouching

A

CHPC Study Cards: D-1 54

Riding D Manual Page 31

When you ride, your thumbs should be in what position?

- a. down
- b. touching
- c. up
- d. out

C

CHPC Study Cards: D-1 52

Riding D Manual Page 31

True or False: When you ride, you must grip tight with your knees and thighs to keep you from falling off.

- a. true
- b. false

B

CHPC Study Cards: D-1 51

Riding D Manual Page 31

True or False: When you ride, if you take a deep breath it relaxes your seat and back, and helps you sit up tall.

- a. True
- b. False

A

CHPC Study Cards: D-1 50

Riding D Manual Page 30

True or False: When you ride, if your head tips down or to the side, your pony will be able to feel it and may think he is supposed to stop or turn.

- a. True
- b. False

A

CHPC Study Cards: D-1 63

Riding D Manual Page 48

These special reins run from the saddle through the brow band loop to the bit, and keep a pony from putting his head down. What are they called?

- a. long reins
- b. short reins
- c. pull reins
- d. grass reins

D

CHPC Study Cards: D-1 207

Riding D Manual Page 26

TRUE OR FALSE: If you happen to brush the pony's rump with your foot while mounting, the pony might buck or kick.

- a. True
- b. False

A

CHPC Study Cards: D-1 197

Riding D Manual Page 26

When you have your reins in one hand ready to mount, how long should they be?

- a. very loose
- b. very tight
- c. just tight enough to keep your horse from moving

C

CHPC Study Cards: D-1 168

Riding D Manual Page 44

TRUE or FALSE: A way to reward your pony is by patting him on the neck.

- a. True
- b. False

A

CHPC Study Cards: D-1 167

Riding D Manual Page 340

Why should the pants you ride in fit closely around the lower leg?

- a. because loose pants legs look untidy
- b. because they will chafe your knee and calf
- c. because they might brush the pony's rump as you mount or dismount
- d. all of the above

D

CHPC Study Cards: D-1 166
