

## Middle California Region D3 Study Guide

### **The D Ratings**

The D ratings are an introduction to the fun and challenge of riding, establishing a foundation of safety habits and knowledge of the daily care of a mount and tack. The D1 through D3 Pony Club member learns to ride independently and with control, maintaining a reasonably secure position at the walk, trot, and canter and over low fences. All D ratings are awarded at the club level.

### **How to use the Study Guide:**

There are two sections to the Study Guide to help you prepare for your rating.

**Riding Test Expectations:** This section lists the riding skills you will be tested on at your rating. Please review them carefully with your instructor to insure you are prepared for the D3 rating!

**Horse Management Expectations:** This section has the Horse Management standards you will need to know for your rating. There is space for you to answer the questions you will be asked at your D3 rating. Be as thorough as possible with your answers!

When you are done with the rating, keep your Study Guides. They will help you prepare for the next rating, rally or even your next lesson plan!

**Best of luck on your rating!**

If other bit actions are to be used, two reins will be required. At the D level, converters will be allowed on pelham bits. If the Pessoa type bit is used, a single rein may be attached to the first or second ring. If a third or lower ring is used, a second rein must be attached higher so that the snaffle action can be in effect.

### Testing Information

- Testing dates are determined by the DC.
- Testings may be held every three months or more often if practical for the Club, but they must be offered a minimum of twice a year.
- A testing should be conducted in one day or all requirements tested within a one-month period.
- A testing shall be an instructional working session, covering only requirements listed under the

Standards.

- Oral testing is required for all parts of the horse management phase. Written tests are not allowed.
- On recommendation of the Examiner only, a candidate who fails not more than one-third of tested sections (including riding) may be re-tested within one month on only the requirements not passed.
- There is no set time limit between taking any of the D- Level Tests, but each rating level must be attained in the proper order and no levels may be skipped.
- Borrowing/sharing of suitable mounts for a D-level testing is allowed, but only if the rider is familiar with the mount and has ridden it prior to the testing both on the flat and over fences successfully and safely at the level being tested.

### **Appropriate Horse**

- **It is the responsibility of the candidate and his/her parent(s) or guardian to bring an appropriate horse to the testing. The conditioned mount(s) must be capable of completing the flat and jumping phases at the heights indicated at the appropriate levels. Embracing USPC's commitment to safety for all horses and riders is of utmost importance. Failing to follow these guidelines may make it difficult to meet the standard on that given day.**

### **Presentation of Mount for Inspection (D-1 through D-3)**

- Stand by head of mount on near side with Examiner, facing towards rear, reins in left hand, below bit, slack in right, changing sides with Examiner.

- Examiners should be selected with care, should not only be knowledgeable, but sensitive to young people and able to conduct the test in an educational framework.
- Examiners must be furnished a copy of all the USPC Standards, tests, and study guides prior to testing.
- Examiners must be knowledgeable of Pony Club philosophy and the Standards, D-1 through A.
- The Examiners must set the tone of the testing as a teaching situation, making every effort to draw the best from each candidate.
- Care should be taken throughout a testing to encourage the candidates to express what they know, rather than what the Examiner knows.
- Examiners should bear in mind that there may be a range from adequate to superior, and anyone within the range should pass.
- Refer to the current D-1 through C-2 Testing Guidelines and the USPC Examiners Handbook, both available through the USPC Bookstore.
